## Speaking Strategy

Talking about conditions and future results

**A.** We use 'will' with 'if' to talk about what will happen in the future if certain conditions are met at the present time.

- We want to buy a new store.
- Really, what for?
- We want to make and sell more pottery work.
- I've heard people are really interested in your work.
- Yeah, if everything goes well, we will open the new store in June.

You may use the following to talk about conditions and future results.

If everything goes well, I will.....

If all goes well, they will .....

If our plans work, we will.....
