## A. Read the following text.

Our neighbor is a craftsman. I love his beautiful artworks. Whenever I see his works, I say to myself, "when I grow up, I will become an artist like him". One day he told me: "Amir, are you really interested in art? **If** you enjoy art, you will become a good artist. Most people like art, but some do not understand it. **If** you do not see any special thing in a pottery, you won't appreciate its value. **If** you do not appreciate the value of art, you cannot become a successful artist. You will just make things. **If** you really like art, you will need two things in the future: education and experience. Study hard, work hard, and create things to make people happy."
