

# Grammar

## A. Read the following text.

Did you know that the things nobody needs **can be used** to produce electricity, heat or fuel? Changing waste to energy **can be considered** one of the most helpful ways to save the resources of the earth. Because garbage **can be changed** directly into a liquid fuel, it can be used in cars, trucks, buses and airplanes. To do that, garbage **should be collected** and **taken** to a landfill by workers. **People may be paid for** voluntary garbage delivery as well. It is important to know that not all types of waste **can be used** to produce fuel. Some materials may give off harmful gases in the process. Therefore, people **should be informed** of this danger and **warned** about the possible harms.

## B. Read the following example sentences.

The principal <b>should call</b> the parents.	The parents <b>should be called</b> (by the principal).
The cook <b>may make</b> a fish salad for dinner.	A fish salad <b>may be made</b> for dinner (by the cook).
People must <b>obey</b> the traffic rules.	The traffic rules <b>must be obeyed</b> (by everyone).
