

Suddenly the son burst into tears, hugged his old mother and said repeatedly, “Mom, mom, forgive me; please forgive me.” The old woman hugged her son, kissed him and said calmly, “We must care for those who once cared for us. We all know how parents cared for their children for every little thing. Children must love them, respect them, and care for them”.

Reading Strategy

Question generation

Question generation is a reading comprehension strategy whereby readers ask and answer meaningful questions about the important points or main ideas of a text. Using this strategy, students ask and answer their own questions rather than only answering questions provided by the book or the teacher.

Follow these steps:

- 1. Read the text.
- 2. Find the important points or main ideas.
- 3. Make a question for each point or idea.
- 4. Answer the questions.

Common question starters along with their possible answers are as follows:

Question Starter	Possible Answer
Who	Person
What	Object, Description or Process
Where	Location
When	Time
Why	Reason
How	Quantity, Process or Description
